PRESENTATION
TION

ARTISTRY HUB

01. INTRODUCTION

- Artistry Hub is an online platform designed to bring artists and art enthusiasts together in a virtual space.

- The platform aims to address the challenge of limited accessibility to physical art events, providing a digital solution to showcase and discover art from anywhere.

ARTISTRY HUB

02. PROBLEM STATEMENT

- In today's digital age, artists face significant challenges in finding specific platforms dedicated to showcasing their artwork.

- Despite the abundance of social media and generic online marketplaces, these platforms often lack the tailored features and focused audience that artists need to effectively present and promote their creations.

ARTISTRY HUB

03. PROPOSED SOLUTION

- Provide an online platform for artists to showcase their work.
- Enhance the visibility and accessibility of art.
- Create an interactive and engaging experience for users.
- Ensure secure transactions and data protection.
- Provide a secure and efficient marketplace for artists to sell their creations and for buyers to purchase unique pieces.
